Patent No. 6,414,455  
Application No. 09/542,032  
Filed: April 3, 2000  
Issued: July 2, 2002  
Attorney Docket No. 2173LT-1000

ON PETITION

This is a decision on the petition under 37 CFR 1.378(c), filed March 5, 2007, to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent.

The petition is **GRANTED**.

The patent issued July 2, 2002. The last day of the grace period for paying the 3.5-year maintenance fee was July 2, 2006. Therefore, since this petition was filed within twenty-four months after the six-month grace period provided in 37 CFR 1.362(e), this petition was timely filed under the provisions of 37 CFR 1.378(c).

**The maintenance fee is hereby accepted and the above-identified patent is reinstated as of the mail date of this decision.**

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the delay in filing a timely response was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay in paying the maintenance fee was in fact unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay in paying the maintenance fee was intentional, petitioner must so notify the Office. Also, it is not apparent whether the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute this patent. In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts.

Petitioner should note that submission of a power of attorney and/or a change of correspondence address would not affect the fee address. Therefore, if petitioner desires to receive future correspondence, which may be mailed regarding maintenance fees for the above-identified patent, the "fee address" and/or "customer number" forms should be submitted to the Maintenance Fee Division.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3206.

The patent file is being forwarded to Files Repository.
